

Meet Leo

Leo was a curious little lion cub who lived near the edge of the big, green forest. One sunny morning, he decided, “Today, I’ll explore the forest all by myself!”

A vibrant illustration of a lion cub in a lush green forest. The cub, with its golden-brown fur and a thick mane of dark brown hair, is sitting on the ground, looking up with wide, curious eyes. It has a small tuft of hair on its head and a pink nose. The forest around it is filled with tall, thin trees and various butterflies and birds in flight. A purple and black butterfly is at the top left, a teal and blue butterfly is at the top center, an orange and black butterfly is on the left, a green and black butterfly is on the far left, and two smaller red and black butterflies are on the right. The background shows rolling green hills under a clear sky.

Into the Trees
Leo lion cub
tiptoed into the
forest, his tiny
paws crunching
leaves. Birds
chirped above, and
butterflies danced
around him.

A Rustle in the Bush

Suddenly, Leo heard a rustle-rustle in a bush. He jumped! “Who’s there?” he whispered.

t's Just Benny Bunny!
Out popped Benny the
Bunny! "Hi Leo!
Exploring?" Benny
asked. "Come on, I'll
show you my favorite
carrot patch!"

Splash at the River
They walked to a river,
where splashy Sammy
the Squirrel was
playing. “Race you
across the rocks!” he
shouted.

A Scary Shadow

Just then, a big
shadow appeared. All
three froze! Was it a
monster?

Phew, It's Just
Ellie!

Out stepped Ellie
the Elephant.
“Oops! Didn’t
mean to scare
you,” she
laughed. “Want
to play splash
games?”

Picnic Time!
Everyone got
hungry. Leo
shared his honey
snacks, Benny had
carrots, and Ellie
brought bananas.

Time to Go Home
As the sun set,
cartoon image of lion
cub Leo yawned.
“Time to head back.”
His friends waved,
“Come back
tomorrow!”

Sweet Dreams, Little Explorer

Back home, Leo snuggled into bed. “What a day!” he whispered, already dreaming of tomorrow’s adventure.
